What I Am in Christ

I. The Present Reality

A. Reckon ye also yourselves to be dead indeed unto sin.

B. And we are alive unto God - literally living unto God.

II. The Past Ground

A. Through Jesus Christ our Lord. I am reckoned dead to sin and living unto God because of the death and resurrection of Christ.

B. There is something we need to see with the eyes of faith today: we are united to Christ.

III. The Future Significance

A. We only have a small beginning of this new obedience.

B. We can grow in this as we think the right way about ourselves in Jesus Christ.
