God is a present portion.

*He is a portion in hand, he is a portion in possession. . . .*

God will be a present help,

*a present relief, a present support,*

*a present comfort, a present portion to his people,*

*in all those great and various trials that they may be exercised under. . . .*

Though the saints have not this, nor that,

*nor the other earthly portion among them,*

*yet, as a better thing, they have God for their present portion;*

*and what can they desire more?*

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
