

**Are You at Peace with God?**  
**Romans 5:1-2**  
**April 24, 2022**

Have you ever received a gift that you did not know how to use?

What are the blessings of justification?

What is Peace with God?

Justification by faith alone is the doctrine upon which the church stands or falls.

This truth can silence the accusations of the devil and calm our own troubled conscience.

Because you have peace with God, enjoy that peace.

It is more than the absence of war.

It is also hostility removed and friendship restored.

You must be at peace with God before you can know the peace of God.

Kolchak: The Night Stalker

How is this peace with God achieved?

How do we enter into this peace?

What is access into this grace?

The curtain of the temple is torn - we have access to God.

It is a present access, it is a secure access, it is a permanent access.

You are a child of God. You are friends with God. You have access to grace.

Rejoicing in the Hope of the Glory of God.

What is the Glory of God?

What is boasting? Glorifying in the glory of God!

What is Hope?

Biblical hope is not a desire against the odds or wishful thinking

Biblical Hope is enjoying a present guarantee of a certain future.

We have glory in the bud.

For your encouragement today:

You have peace with God. Real peace.

You have access to grace. Just ask. Enter in.

You can boast in the hope of glory.
