

Worship! Testify!

Luke 24:44-53

April 26, 2015

What were the final instructions of Jesus to his newly energized disciples?

1. His word must be **understood** (v.44-45).
2. His word must be **preached** (v.46-48).
3. His workers must be **empowered** (v.48-49).
4. His **worship** must be the priority (v.50-53).
 - Once we understand we will **worship** Jesus
 - Once we understand we will **work** for Jesus.
 - We worship **before we work**.
 -
 - Without worship we will **burn out** in our work.
 - Without worship we will get **cranky** in our work.
 - Without worship we will get **competitive** in our work.
