QUOTE

"I will give you this as a most certain observation, that there never was anything of false doctrine brought into the church, or anything of false worship imposed upon the church, but either it was by neglecting the Scripture, or by introducing something above the Scripture.

By: John Collins (17th century English Puritan)

Offerings are collected on the literature table.

OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
