

KORAH

*The Rebel to Stay
Away From*

REBELLION

**Rebels *(like-hearted men)*
find each other in a crowd**

REBELLION

**Rebels are marked
by impatience**

REBELLION

**Rebels look for others to
join their alliance**

REBELLION

**Rebels attack God-ordained
leadership when complaining
against God**

REBELLION

**Rebels build their attack on
true premises, but come to a
wrong conclusion**

REBELLION

**Rebels have
a hidden agenda**

REBELLION

**Rebels ignore the measured
warning of God's man**

REBELLION

**Rebels refuse to acknowledge
their own sin**

REBELLION

**Rebels will have a certain
judgment**

REBELLION

Though the judgment is clear,
it is not obvious for those
infected by the rebellion

REBELLION

is why YOU

need Christ!
