

# Be Confident

## Philippians 1:6

1. You are part of a really good thing.

- God's work in your life.
- God's work in this church.

2. God has done it.

- He started it.
- He hasn't left it.

3. He will carry on this good work.

- It takes time.
- You will make progress.
- He's hands on.

4. One day it will be complete!

- Not yet
- But one day . . .

Our confidence is in Him.

Give Him glory for what He has done.

Trust Him for what is ahead.
