Studies in Genesis

Scripture Reading

GENESIS 10:1 – 12:3

JAPHETH

THE MAIN POINT OF GENESIS 10:1 – 12:3

God split
rebellious humanity
into many nations
in order to bless them all.

The God of Many Nations

1. We should always focus, like God, on all nations (ch. 10).
2. We should remember our **corruption and God's gracious judgment** whenever we think about the many nations (11:1-9).
3. We should know that the hope for **every nation is in Abram's seed** (11:10 – 12:3).
