Why Need?

Why? Questions:

Why does God reward some people but not others?

Why hasn't God led me to a better job?

Why does God call us to do something but seemingly never opens the door for us to follow Him?

Why does God not choose to heal people with long term illnesses?

Why would a loving God allow terrible things to happen?

Matthew 6:33

God provides what's **best** for His children when they seek Him first.

Psalms 37:25

We should be willing to live lives that demand an **explanation**.

Philippians 4:10-13

Contentment has nothing to do with your **circumstances**.

Hebrews 13:5

True contentment is **found** in Jesus Christ alone.

We can be content in Christ when we are **rich** as well as when we are poor.

Philippians 4:14-16; Philippians 4:17-19; Philippians 4:18b-19; Luke 6:38; Galatians 6:6-7; Proverbs 11:25; 2 Corinthians 9:6

God gives us what we need and He **rewards** us for what we share.

1 Timothy 6:6-7
