

**Message Title:** He is Still Coming Back Pt-3

**Theme:** This message draws our attention back to this incredible event that God has staged like a surprise party where all the saints, both living and dead will be the invited guests.

There are said to be over a thousand commandments in the New Testament for Believers to follow. Most are negative but there are many that are positive, such as, *Thou shalt honor thy father and mother that it may be well with thee and thou mayest live long upon the earth* (Eph. 6:1-3). Another is when Jesus told four disciples privately, *what I say unto you I say unto all, watch*, (Mk 13:37), this He spoke of His return. The problem is that we are so easily distracted by daily living and the fact that it has been almost two thousand years since He commanded all to watch, that we don't really take it to heart.

**Salient Points:** A secret kept from Jesus, Judging others, God is not like us, God's lay-away plan, All of heaven anticipates the rapture, God is the source for everything, Watching or sleeping, He is really coming back, When God gives His word things happen, An instantaneous event, Individually responsible, All without exception, An unexpected event, Protection from a higher power, Our wrong perspective, What about God's feelings, Take comfort, Aware of God's ownership, When corruption puts on incorruption, Out of the box thinking, Desiring to understand God, It's about the motive, Just do right, With His Saints, Understanding God starts with Him, A life changing grasp on reality.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
