1. \_\_\_\_\_ are important in the kingdom of God.

*"The disciple's lack of tenderness and desire to see children spiritually encouraged at the earliest age possible, produced in Christ a holy \_\_\_\_\_." - Ted Christman*

- a. A vision for the advancement of God's kingdom includes the call to raise children in the discipline and instruction of the \_\_\_\_\_.

1) It is a call to \_\_\_\_\_.

2) It is a call to the \_\_\_\_\_.

- b. When a child gives credible \_\_\_\_\_ of being a true disciple of Christ, they should not be hindered from coming to Him.

1) Scripture acknowledges that there are challenges connected with \_\_\_\_\_ and conversion that need to be understood.

2) The call to saving faith and the evidences of conversion are the \_\_\_\_\_ in both children and adults.

3) Whether or not a child is ready for baptism and church membership, they should be encouraged to continue to \_\_\_\_\_ the Lord and His kingdom.

2. All who enter the kingdom of God, must receive it as a \_\_\_\_\_ receives it.

a. To enter the kingdom, one must recognize that they are utterly \_\_\_\_\_ and undeserving.

b. To enter the kingdom, one must receive the blessing of salvation by faith as a \_\_\_\_\_ from God.
