NOTES:

Application Questions

These questions are provided for your further study and application of the sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of the study. It is also helpful when you are able to discuss your answers with others.

1. Read **Psalm 10**. Describe how the psalmist moves from dismay to confidence in this psalm. Note how this change in perspective is applicable whether you are facing the protracted attack by evil people or the prolonged assault by natural evil in our fallen world. What can you learn from this perspective building text?
2. Read **Matthew 10:29-31**. How do these amazing truths help you to affirm God's sovereignty and oversight of all of creation during times like these?
3. Read **Isaiah 40:27-31**. Pastor Mike offered four biblical means by which God grants strength to his children. Recall the four questions and the four cited texts, and consider which of these is most crucial for you to be asking yourself right now (Rom.16:25; Heb.5:11-14; 1Pt.4:10-11; Gal.6:2).
4. Read **2 Corinthians 4:7-16**. What specific hope and encouragement do you derive from this passage? What makes it so challenging to maintain this mindset in the present crisis?
5. Read **Ephesians 3:14-21**. Paraphrase each part of this prayer in your own words. Then take the time to pray through it right now.
