The Illumination of the Truth (John 1:1–18)

God has done everything to help us receive and understand what He wants us to know. He has *unveiled the truth* of Himself in many ways, primarily through His Son and the record of His Word. He has *communicated the truth* by breathing out His words to certain men, who in turn wrote down every word that Jesus Christ relayed to them through the Holy Spirit. Now we will learn How God helps us *understand the truth*, by illuminating our understanding, that we may know Him, His redemption, and his perfect will for our lives.

Illumination—comes from the Greek word *photizo*, meaning, “To give light to, to enlighten, shine light upon” (Ephesians 1:17–18)
