“Comfort Yourselves Together and Edify One Another”

1 Thessalonians 5:11-15

Introduction:

Proposition: It was our gracious Lord and Saviour Jesus Christ who came and redeemed us from our sin and misery. He continues His work through His Word and Spirit and through His beloved people who are the recipients of His grace. Because we are comforted, we are called and enabled to comfort and build up one another for the glory of God and He has revealed ways to accomplish this calling if we have ears to hear and a willingness to do His will. Are you willing?

I. Why are we in need to be comforted and built up?

II. Who is involved?

III. How do we go about it?

Conclusion:
