

**SONG 7: THE WEDDING SONG**

**Song 3:6-11**

Three errors to avoid:

1. Marriage is \_\_\_\_\_ .  
It is between a man & a woman only.  
Pray about court battles in MA, NJ, IN, and a federal constitutional amendment to protect the Defense of Marriage Act.
2. Weddings are \_\_\_\_\_ . Marriage itself is outdated and needs to be redefined. Temporary is the norm: "microwave relationships"  
Emerging research vindicates marriage as healthier than cohabitation
3. Weddings are \_\_\_\_\_ .  
Cheated without it.  
Idealizing marriage to place of idolatry.

I. Note the IMAGES

- A. **S** \_\_\_\_\_ delight
  - Regal movements
  - Fragrance
  - Costly beauty
  - Loving care for every detail

- B. **S** \_\_\_\_\_ and **S** \_\_\_\_\_  
v7-8: 60 armed "special ops" groomsmen!  
She is secure with this man!

II. Note the LESSONS

- A. Christian weddings should breathe
  - Beauty
  - Security
  - Joy
- B. Christian weddings are anticipations of The Wedding to come  
Our weddings focus on the bride. This wedding focuses on the Groom.

**Psalm 45** is a similar picture expanded to include both the King and His beautiful Bride adorned for Him
