

**GOSPEL OF MARK**  
**The Gospel According To Jesus**  
**Mark 10:17-27**

**1. The gospel begins with \_\_\_\_\_.**

a. Only God is truly \_\_\_\_\_.

b. God declares the \_\_\_\_\_  
of righteousness.

c. God \_\_\_\_\_ sinful people.

**2. \_\_\_\_\_ cannot obtain eternal life on his own.**

a. The \_\_\_\_\_ of God shows what is  
required of man and also reveals how he has fallen  
short of its standards.

b. All men are inclined by their sin to chose their  
\_\_\_\_\_ instead of God.

**3. To \_\_\_\_\_ the blessing of eternal  
life one must repent from sin and follow Christ in  
faith.**

*"Confession of sin is not enough. There must also be a  
full purpose of heart to \_\_\_\_\_ from the  
former life of sin to a new walk in righteousness."  
- Walter Chantry*

*"The sinner must know that Jesus will not be a Savior to  
any man who refuses to bow to Him as \_\_\_\_\_."  
- Walter Chantry*

**4. The salvation promised in the gospel can only be  
accomplished by \_\_\_\_\_.**

a. Humanly speaking, it is \_\_\_\_\_  
for man to enter the kingdom of God.

b. It is \_\_\_\_\_ by God's gracious and  
powerful work that any person can be saved.

*"At \_\_\_\_\_ point, beginning,  
middle, end, man is completely dependent on God for  
salvation." - William Hendriksen*
