Rev. Angelo O. Valle
March 17, 2019

Sermon text: Matthew 19:13-25

Introduction:

Why does Jesus bless these children and infants?

God has always dealt with families.

1) Little children are members of the kingdom of God, including infants

The children that were brought to Jesus were members of God’s covenant community. That they were covenant members of God’s community explains the blessing that they were seeking.

2) Little children ought to receive the sign of God’s covenant

OT: Circumcision

NT: Baptism
