WONDER WOMAN: BOUND BY SATAN!

TEXT: Psalms 68:6 God setteth the solitary in families: **he bringeth out those which are bound with chains:** but the rebellious dwell in a dry land.

12 Kings of armies did flee apace: and **she that tarried at home divided the spoil.**

13 Though ye have lien among the pots, yet shall ye be as the wings of a dove covered with silver, and her feathers with yellow gold.

Genesis 24:20 And she hasted, and emptied her pitcher into the trough, and ran again unto the well to draw water, and drew for all his camels.

21 And the man **wondering at her** held his peace...

1 Peter 3:4 But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, **which is in the sight of God of great price.**

5 For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands:

Ezekiel 16:30 How **weak is thine heart**, saith the Lord GOD, seeing thou doest all these things, the work of an imperious whorish woman;

1 Peter 3:6 Even as Sara obeyed Abraham, calling him lord: whose daughters ye are, as long as ye do well, and are not **afraid with any amazement.**

Genesis 3:4 And the serpent said unto the woman, Ye shall not surely die:

5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and **ye shall be as gods**, knowing good and evil.

2 Timothy 3:6 For of this sort are they which creep into houses, and **lead captive silly women laden with sins**, led away with divers lusts,

"...we established the basic ingredients of the most numerous and widely read comic books: violence, sadism and cruelty; the superman philosophy, an offshoot of Nietzsche's superman...How did Nietzsche get into the nursery?...[The] Superman-Batman-Wonder Woman group is special form of crime comics...[Wonder Woman] is always a horror type. She...tortures men, has her own female following...we have found [this comic] to be one of the most harmful...Superman undermines the authority and dignity of the ordinary man and women in the minds of children...The lesbian counterpart to Batman [and Robin] may be found in the stories of Wonder Woman..." (Fredric Wertham, *Seduction of the Innocent*, 1954)

"Wonder Woman is psychological propaganda for the new type of woman, who should, I believe, rule the world."

(William Molton Marston, creator of *Wonder Woman*; d. 1947)

Acts 19:27 So that not only this our craft is in danger to be set at nought; but also that the temple of **the great goddess Diana** should be despised, and her magnificence should be destroyed, **whom all Asia and the world worshippeth.**

(Magazine title by Margaret Sanger, 1914)

"[Marston's Wonder Woman] stories deliberately encouraged boys, girls, and everyone else, to identify across gender lines."

(Noah Berlatsky, *Wonder Woman...*)

"Tracking Wonder Woman through the years is like tracking the history of feminism...She's a demi-goddess. An Amazonian, warrior princess..."

"...[The Amazon women] in war, **taking the field and wearing the very same dress** as the men." (Herodotus)

"Herodotus gives us a very good picture. He says that they gathered a flower or leaves or seeds...and sat around a campfire and threw these plants into the fire. They became intoxicated from the smoke...he actually does call it Cannabis...There are a lot of tattoos [on the women]..." (NationalGeographic)

"Forgotten Ancient Greek jar contains image of the first wonder woman - a lasso-wielding Amazon...It's a 2500-year-old cosmetics container that was tucked away, forgotten, in a small United States museum...The drawing shows a mounted, shod, trouser-wearing warrior woman...They wore trousers. They smoked dope. They also boasted heavily tattooed flesh...We now know they were part of a people we call the Scythians...the evidence of this is found in their graves: Virtually every Scythian was buried with a hemp smoke kit, it seems..."
