WHEN GOD CREATED MARRIAGE

6/5/2022

Text: Genesis 1 & 2

Theme: God created the union of marriage.

---

God not only created male and female, He also created marriage

Gen. 1:26, 27; 2:20-24

In creating Adam and Eve He created two individuals.

In creating marriage He joined those two individuals into one

### **One flesh... no other creation of God is “one flesh” union**

Marriage is a union

Marriage is a covenant relationship

Marriage is a bond

Marriage is to be a communion

### **Marital love isn't an act of emotion, but an act of the will**

Emotions cannot be permanently sustained

An act of the will can be sustained w/o emotions

Emotions are based on self; the will is based on  
principle/conviction

Ruth provides an excellent picture of love – toward Naomi

Ruth 1:7-18
