Sermon Text: Galatians 2:15–21

1. The ditch of trying to achieve righteousness... by church and sacramental participation. (vs. 15, 16)

2. The ditch of abusing the grace of God, making it a license to sin, making Christ a facilitator of sin, by rejecting the church and sacramental participation in favor of do it yourself religion. (vs. 17)

3. The Highway of Union with Christ by faith alone but with the faithful use of the means of grace. (vs. 20)
