

# Seven Foundational Bible Books

These books will give a solid foundation to any believer.

They answer the key questions a good reporter asks in a story: who, what, when, where, how, and why.

Who - is the most important person in the history of mankind?

Why - is this important to me (and my friends) ?

How - should I effectually pray ?

What - do I need to know to make good choices in my life ?

When - did mankind's history begin and when will it end ?

Where - is the place where God will set up His Kingdom ?
