In Christ I Am . . . A Saint

Philippians 4:20-23

Neither our public reputation nor our personal perception defines who we are in Christ. The believer's proper view of self (self-worth, self-esteem) must be seen from their position in Christ.

I. Saints exhibit a _____ (21)

A. Positionally we _____ "in Christ"

B. Practically we are _____ "unto God"

II. Saints express _____ (20)

III. Saints extend _____ (21-22)

IV. Saints experience _____ (22)

V. Saints expect _____ (21-22)

A. God's grace _____ us.

B. God's grace _____ us.

Among the sins to which the human heart is prone, hardly any other is more hateful to God than idolatry . . . the human heart assumes that God is other than He is . . . and substitutes for the true God one made after its [our] own likeness . . . Let us beware lest we in our pride accept the erroneous notion that idolatry consists only in kneeling before visible objects of adoration . . . The essence of idolatry is the entertainment of thoughts about God that are unworthy of Him.
