6/17/2018

**14<sup>th</sup> message: Giving Focus To Your Relationships**

Text: Galatians 5:16-26

Theme: Keys to the Holy Spirit's influence.

---

Have you ever gotten so close to someone they began to influence how you: walk, talk, stand, etc?

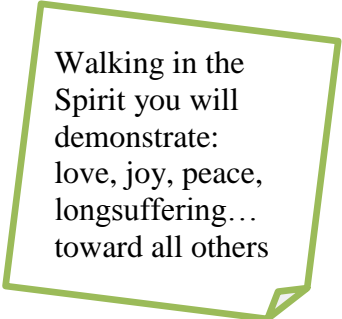

## I. You must allow the Holy Spirit to influence your life (5:16)

Walk – to regulate one's way

## II. You must see the Holy Spirit's influence in your life (5:18, 22, 23)

If you are walking in the Spirit it is impossible for that not to be seen in **ALL** your other relationships

Don't tell us you are walking in the Spirit if you are not demonstrating these characteristics of the Spirit

Walking in the Spirit you will demonstrate:  
love, joy, peace,  
longsuffering...  
toward all others
