INTRODUCTION

- •Last week's text (3:12-14) is a tall order
- How in this (fallen) world are we to do this?
- •Thankfully, we aren't left to our own resources or efforts
- •Paul gives us the crucial means by which we are to live this resurrected-life together...and it all has to do with Jesus

- •The entire passage as temple/worship language
- Life Together is not up to our own resources and attempts
 The rule of peace, dwelling of word, and Name of Christ are the fountainhead from which we draw power to love one another as brothers and sisters in God's family
- •Thus, our need to cultivate a *holy obsession* with the person and work of Jesus our Lord
- **Gratitude** is profoundly important in this Life Together
- •A distinction between living by "Christian principles" and living by the new life of Christ in us
