

SUNDAY MORNING

USED TO BRING JOY TO OTHERS

6/30/2019

Message 18 in the series: **Learning how to rejoice in the Lord always**

Text: Philippians 2:18-30

Theme: Learn to have the mind of Christ to serve others.

What is the one point I am trying to get across? **We should be giving our energy to serving others**

I. You are allowed to be different to serve the Lord and others (vv. 17, 19, 25)

Three men are mentioned in this passage. **It is interesting the men that God uses as these men had totally different backgrounds**

These men also had totally different ministries

II. You need to be the same to serve the Lord and others (vv. 2, 5, 20, 25, 26)

They were likeminded in two ways

A. They didn't focus on themselves

B. They focused on others

In what ways can you serve others? Not focusing on yourself, but focusing on others.
