

## Recipe for a Virus?

Audio for this article is here: [SermonAudio.com/studygrowknow](https://SermonAudio.com/studygrowknow)

I'm assuming readers have heard about and/or even read at least some of the emails that were released the other day under the Freedom of Information Act (FOIA), related to Dr. Anthony Fauci. They're quite revealing and should be widely disseminated. They prove Fauci lied many times about masks, vaccines and the virus itself.

As expected, Fauci is claiming things are being taken out of context. From my reading of many of them it appears that at the very least, Fauci lied to the public on numerous occasions regarding the efficacy of masks. It is also clear that though medical doctors told Fauci in emails about the use of medications that would help protect people against the CV-19 virus. Yet, instead of promoting those things, Fauci downplayed Hydroxychloroquine and other treatments to push a vaccine that, for all intents and purposes, is really gene-therapy.

In one very shocking email (pictured dated March 11, 2020 yes, **2020**), we learn how the CV-19 virus was created. Notice the very first line of the email from a person whose name has been redacted. They used HIV to create it. Now unless this particular "HIV" refers to something else entirely, it most likely refers to the *human immunodeficiency virus*, which causes AIDS and is usually fatal. This is the recipe used to create CV-19 designed to kill or harm people and create havoc throughout the world. At the same time, this could all be [smoke and mirrors](#), who really knows? Maybe Fauci is being sacrificed and blamed? What's coming?

Gain of function, which is "*biological research aimed at increasing the virulence and lethality of pathogens and viruses*" (so that it more easily infects human beings), was used to enhance the virus.[1] Fauci originally denied knowing anything about gain of function being used at the Wuhan Lab and that his organization did not fund that, though he did admit funding the Wuhan Lab itself. Later he tried to ensure lawmakers that if gain of function was used, it was used according to the law.

As can be expected, the Left (including MSM), refuses to call Fauci out on his lies continuing to point to Fauci as a hero to America. Tucker Carlson calls for a criminal investigation of Dr. Anthony Fauci.

Fauci knew back in **March 2020** the potential truth regarding the virus' origins. Is this why he recently started positing the position that the virus could have been man-made in a lab?

The saddest part (aside from deaths and injuries), of this is that there are plenty of people who will simply shrug off all the thousands of emails. Interested in reading/downloading the emails? Do so here: [Anthony Fauci Emails](#).

Globalists put the world on fire with a virus that was created in a lab in Wuhan, China.

The only way any of this will take you by surprise is if you are completely unaware of Satan's schemes. As frustrating as all of this might be, we need to remember that it is not necessarily what Satan is doing, but what God is *allowing* to happen. As noted previously, the Colonial Pipeline was hacked, resulting in gas prices going excessively high. Now, with JBS meat packing slaughterhouse hacked, we don't have to wonder why. It seems clear that this latest hack will result in higher meat prices and even shortages.

Bill Gates wants everyone to eat fake meat, grown in the lab. Why? The excuse is that cows are destroying the climate with all their flatulence so there must be fewer cows. Fewer cows means less meat for everyone, but people like the *taste* of meat. So, why not create fake meat that tastes like *real* meat even though there is so much soy in it that estradiol levels in men will become seriously elevated, creating higher estrogen levels and lower testosterone, ultimately creating more "soy boys."

Do I think globalists believe all the climate change emergency talk? Not at all. However, I do believe they are using it to scare people into thinking the world is going to end if we don't do something. Ultimately, globalists, like Satan, want a world they completely control. How better to achieve this than through *fear*? They want to decide who gets to live where, their job, what they eat and what's ultimately available to them. Meanwhile, globalists and their families will have the best of everything without limit. The people who work for the globalists will also share in that as well to a degree. This is exactly what occurs in China, by the way. Those completely sold out to the Communist ideology are rewarded with better paying jobs, better places to live and more freedoms within the context of prison-like living under a Communist (or more accurately, a *technocracy*), regime.

This is ultimately what globalists have planned for the entire world. Obviously, it takes a while to bring the entire world under their thumb but this man-made virus has really made inroads. For well over a year, most of the world was shutdown, businesses went bankrupt, people got depressed and suicidal, with many ultimately killing themselves because of it. This has all been the result of globalists who have done the bidding of their god, Satan (Lucifer).

But we need to remember that God is allowing all of this. This does not mean we are to be blind to what's transpiring or that we cannot work against it. I see people who have been and continue to be taken in by the lies of Fauci and others. These people obediently locked down. They got the "vaccine" (which is nothing more than gene-therapy), and they are still clamoring for more lockdowns and limits on freedoms all in the name of "science" and "health" in obedience to our dear leaders. Their cognitive dissonance is telling. It has such a hold on them they cannot admit they were wrong even in the face of evidence to the contrary.

What will we see over the next year or so with respect to the folks who have received the vaccine? We will quite possibly see deaths, as well as injuries and harm from the vaccine, which are being noted at VAERS. Yet the CDC doubts there's any real connection to the vaccine and those deaths or injuries.

Read what a [Canadian vaccine expert says about the problem with the CV-19 vax](#). It is tragic, yet so many have and continue to line up to take the injection. If you have *not* taken the vax, this article will confirm your decision.

Will we find that women especially are going to become infertile? According to the above article, the spike protein in the vaccine passes the blood-brain barrier, getting into the blood system even though the injection is given in the shoulder muscle. It tends to find its way to the ovaries in concentration.

If this vaccine doesn't outright kill people, it may cause infertility/sterility and/or create major health problems. This is primarily due to the use of the mRNA component, which has never been used in vaccines for human beings before CV-19, though they tried.

Have globalists achieved what they hoped to achieve? Even if they have decided to throw Fauci under the bus, the negative consequences of the lock-downs and the vaccine will remain with us for quite some time. But based on the way the globalists think, even if they were "caught" and *are* throwing Fauci under the bus, I don't believe they will sit back and give up anymore than Satan will even though he fully understands where his final "resting" place will be - in the Lake of Fire for all eternity.

It is helpful to remember that in these days, Paul has told us that evil men will wax worse and worse deceiving and being deceived (**2 Timothy 3:13**). It is the nature of fallen people to want to cheat, lie, steal, rebel and destroy. It is the natural reaction to God and life itself. Remember **Psalm 2**?

John Bevere wrote a book titled, "*The Fear of the LORD*." In it, he discusses the truth behind reasons to fear the LORD.

*Discover the key to intimately knowing God. Positions your heart to receive answers. Promises divine protection. Provides clarity and direction. Produces riches, honor, and life.*

Bevere also states, "*Holy fear is the key to God's sure foundation, unlocking the treasures of salvation, wisdom, and knowledge.*" I don't believe we can keep Satan from doing what God is allowing him to do. To try would be a waste of energy. However, in the midst of Satan's evil activities that are designed to destroy life, we do not have to be taken in. We can rise above all of it. We do so by fearing the LORD, through which God enables us with wisdom from on high to meet the challenges we face daily.

You do not have to be taken in by the wiles of Satan, but if you do not learn to fear and grow in that fear of the LORD, you *will* be. The choice is yours. Go with God always.
