

QUESTIONS FROM COLOSSIANS

1. Many churches allow people to continue thinking they are saved, when their lives demonstrate the opposite of Christian faith. What should a church do to avoid this? 1:9-10, 28-29 _____

2. If you had a friend who claimed to be a believer and yet had given up fighting against sin, what would you say to them? _____

3. What does it mean that people get caught up in the worship of angels and visions, which are nothing more than fleshly thoughts? 2:18

4. What things do people add to the gospel today which might appear wise, but really have no value in fighting the flesh? 2:20-23 _____

5. Does Paul's description sound like a unique class of super spiritual Christians, or simply what should characterize all Christians? 4:2-6
Do these things typically characterize all believers? _____
