

EXODUS: Out of Egypt to Meet with God

Plague #1: Nile Turned to Blood

Exodus 7:14-25

PASTOR'S PRAYER

Almighty Father God, you alone can sustain us. You alone are our Sustain, support and security. You are our salvation. You daily bear us up. Blessed be the name of the LORD. This morning, Father, we confess our divided allegiance and devotion. We are so apt to carelessly place our hope and sense of security in our man-made systems: economics, politics, education, industry, technology, nationality. We are unaware of how much we trust these and place our confidence in them to support, sustain and provide security for us. Lord, reveal the idolatry of our hearts this morning. Unveil our hearts and by your Spirit expose our false gods. These systems are good but they can never be ultimate. We confess they have made us grow weary and more burdened. They have not delivered us and they can never deliver us! Turn us to Christ, I pray, this morning that we might trust in Him alone for as our sufficient support, security and sustaining Deliverer. We come in His name alone. Amen & Amen.

OUTLINE

1. Declaration of the Plague (vv. 14-19)
2. Description of the Plague (vv. 20-25)
