Application Questions

These questions are provided for your further study and application of the sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of the study. It is also helpful when you are able to discuss your answers with others.

1. Read **Matthew 24:6-12**. Why is clarity and awareness about this forecast from Jesus so important? What about this prophetic word helps you manage your emotions (i.e., “do not be alarmed” - v.6)?
2. Read **James 4:8-10**. Why is this message so essential and yet so unpopular? What helps to embolden you to demand true repentance in your own heart and to prayerfully and persuasively seek it in others?
3. Read **Hebrews 10:28-31**. What is at stake for Christians in forgetting, dismissing, or discarding the sobering truths presented so straightforwardly in the Bible?
4. Read **2 Corinthians 5:11-21**. What aspect of this rich passage motivates you to keep your perspective on the things that matter most?
5. Read **1 Corinthians 2:1-4**. Write out a prayer that expresses commitment to be resolute about the important role you play in our generation to help people understand the eternally important transaction that took place on Christ's cross 2000 years ago.
