

The Cult of: “The International Churches of Christ”
(Formerly called: The Boston Movement)

*** Beware of a fast growing Wolf in Sheep’s Clothing!**

3 Cultic Marks of the International Churches of Christ:

1. Arrogant Exclusivity:

(We alone are the true church)

2. Baptismal Regeneration:

(You must be water baptized to be “born again”)

3. High Pressure, Manipulative Discipleship:

(God is with you only, if you are “cranking” out numbers)
