

SET APART TO SERVE

Acts 13:1-12

“Be diligent to Present Yourself Approved to God”

A dynamic, healthy, biblical church is a church rooted in the Word of God, engaged in the work that the Lord has commissioned her to do, directed by the Spirit, and blessed by God with fruit. It is made up of individuals sharing those same characteristics who collectively love Christ, love one another, and carry a burden for the lost out into their community and world. They are the ekklesia...the called out ones of God, **set apart to serve**.
