Praxis

1. How should Christians go about deciding what to do if the Bible doesn't specify? (a topic for future sermon)
2. How can Christian brothers who disagree in one area help each other be more "fully convinced in his own mind" (14:5)?
3. What are the benefits of discussing with one another what to in areas of Freedom? Why not just let everyone do what they think is best?
4. How should parents handle transmitting their own convictions in matters of Freedom to their Christian children, and yet cultivate their child's own sense of responsibility in areas of freedoms? What else plays into this dynamic.
5. Spend some time praying for yourself and others at BCO in this area...
