Discussion Questions

The following questions are designed to be used by parents in discussing the sermon with their children, but can be used by anyone in discussing the sermon with others:

1. What stood out to you in this sermon? Why?
2. What is a king? What is a king like? If you were summoned to appear before a great king, how would you come before him? How would this be different than the way you come/came before your parents when they call/called you?
3. What difference should it make in our lives knowing that it is the Lord who made us?
4. Why is it amazing that the Lord summons people into His presence?
5. God is the King of kings. How are we to come before Him?
6. What does this Psalm teach about the Lord's nature (what He is like)? How does this make Him different from us?
7. What has God done in order to bring sinners into His presence?

Going Deeper:

These questions are designed for the believer to use in prayer with his/her Lord, and in discussion with brothers and sisters in the Lord:

1. How did this sermon challenge your thinking, or grow your understanding?
2. When do we come into the Lord's presence? What does it mean that we are coming into His presence?
3. Why are we to come into the Lord's presence with gladness and singing, making a joyful noise?
4. What difference does it make whether we believe that God created mankind, or we believe that mankind evolved from animals? (verse 3)
5. How has the Lord showed His goodness, steadfast love, and faithfulness to you in the past week?
6. How can we be very intentional about following Psalm 100 each day of the week?
7. How should you apply this sermon this week?
