1. What are some ways that our culture over emphasizes or wrongly defines angels?

2. Angels are extremely knowledgeable but they are not omniscient (1 Peter 1:12). What about omnipresence? Do angels possess this attribute? See Luke 1:26 and Daniel 10:12-14.

3. Were you ever taught that each person has a guardian angel? _____ This is an extremely common belief with only two vague scriptures to draw from Acts 12:15 and Matthew 18:10. What do you think, is this proof that an angel is assigned to every believer?

4. Angels are most often depicted as being female and possessing wings. Can you find any passage in the Bible that speaks of angels being female? _____ What about wings? Does it appear that some or all angels have wings? Brainstorm, and think of a few passages that describe an angelic encounter. Ex. Genesis 18:2, 16, 22; 19:1-3; Matthew 28:3, etc.

5. God has provided salvation for sinful humans through Jesus Christ, but what about fallen angels? Does the Bible ever mention the possibility of their salvation? Read 2 Peter 2:4, Jude 1:6, Mark 1:21-24, Luke 8:26-33.

6. It is a common belief that humans who go to heaven will turn into angels, and take on the role and responsibility of angels. How common is this view? What would you say to a professing Christian who held this view?
