

Message Title: Why People Believe In Evolution Pt-2

Theme: This message continues to expose the reason that people believe the theory of evolution. It also considers how that in the last days the seventh and last church age, as mentioned in Revelation chapter three, we can actually make God feel sick in our service for Him.

God gave us freedom and conflicting conditions to expose our will. Even though we know intellectually how brief our lives are, we have a sense of importance and believe we are smart enough to decide what to believe. Then we pursue a course of action and our pride forces us to continue to think we're right. If we face opposition we defend our choice. If the choice proves to be a mistake we make excuses, and deflect the responsibility to unknown circumstances or to other people.

The reason that Adam and Eve made the decision they did was a lack of information. Had they known the results, no doubt they would have denied their desires and gone on to live by faith in God's instructions. We are all just as vulnerable. We have only a vague idea of the results of our choices and so we continue to follow our desires until it is too late.

The greater problem is that in these last days knowledge has increased exponentially and there is less experience to help us decide wisely. Making matters worse a large portion of the knowledge that we gain is intentionally false, just like Satan's instructions to Eve. This brings us back to God's plan, to live by faith in Him and His instructions, or trust ourselves to decide, even if it means trusting other people to instruct us in what they believe.

Salient Points: The Church's narrowed focus, A lack of wisdom, The last church age, Recognizing God's handiwork, Redirecting the church's focus, God's spoken creation, The shallow reality of God, Why God isn't more real, A superior fifth grade reading, Making God sick, Where is the passion, A complete creation, The McGuffey Reader, Charles Darwin, Science falsely so called, The origin of life, Not heeding God's warnings, Formed by God, Just enough knowledge to live by faith, A single warning, afraid to live by faith, Limited information, God has shown us enough to believe, Designed for us to live by faith, Changing truth into a lie, The church's fear of science, Taking the comfortable path, The only knowledge that removes pride.

Series: Our Timeless Creator, Remastered – 1076

Sub Series: Our Timeless Creator 3-1-09

Scripture: Psalm 145:3-4, Rom. 1:14-23

Key Words: Darwin, McGuffey, work, sick, focus, wisdom, creation, evolution, science, education, choice, passion, duty, warning, fear, sight, believe, faith, lie, theory, pride, why.

~~~~~

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
