

## KHCB – Q & A – July 15, 2021

**The transcript contains the Questions received – parenthesis indicate where in the broadcast the question is asked :**

### Questions

1 – (04:00) – Worship – I curious about worship. What is the role of worship in the New Millennium when Jesus is reigning as King? Will we be singing like we do in church and is it ok to listen to worship music from churches whose theology doctrine are incorrect?

2 – (08:40) – David was not formally educated, Did he write all the Psalms?

3 – (10:55) – 1 John 4:1 - Are there true prophets today? I have attended a church where they have a prophet speak over people and the church, and they fully believe in everything he says will happen. I look at what is said to what the Word of God says...if it contradicts the Bible, throw it out....if it agrees with the Bible, pray for wisdom and discernment.

4 – (16:15) – Matt 24:32 – Regarding the fig tree, does it relate to the church eschatologically? Second question is do you have a set time for prayer with the Lord throughout the day instead of just praying without ceasing?

5 – (24:15) – Hebrews 11:6 – The Lord is a rewarder of those who diligently seek Him. Where is the awards ceremony? Is it the Judgement Seat of Christ? Is it Millennium? Does every believer get the same reward?

6 – (27:18) – My question is in regards to Gospel tracks...can you recommend any Gospel track publication ministry that produces tracks that promote true evangelism?

7 – (35:10) – Why would God send us to Hell in the place of torment when it is detestable to Him? He quoted Jeremiah 32:35-40. Please elaborate on that text.

8 – (39:30) – Question is related to the answer you just gave. Does God send anyone to Hell? If people's names are not written in the Lamb's Book of Life, are they automatically going to Hell?

9 – (43:31) – There is another religion that claims to have the correct Bible translation in regard to Hebrew, Aramaic and Greek. They have a different concept of the deity of Christ. How do we know that our Bible has the accurate and correct translation of the ancient languages without any bias?

10 – (47:51) – 2 Kings 6:16 - When the Lord opened the man's eyes and he saw the chariots of fire...I was interested in the significance of the chariots of fire and I know in Hebrews 1:7 it talks about the angels being the ministers of flames of fire so I don't know if there was any correlation with that.

11 – (51:11) – Was that a prayer from George Washington? Did he say that to the public? (Dr. Jim had read the prayer after station break)

12 – (54:45) – Should we be expecting to be raptured up before it gets much worse (catastrophes local and worldwide) or should we expect more bad things going on? It seems like it could get much worse.

13 – (57:40) – 1 Kings 21 – Ashes and sackcloth – Ahab went out and prayed in ashes and sackcloth and it changed his outcome – is there anything equivalent to that today?
