Examine the Scriptures (Be Berean!)

- Romans 1 - Romans 3 - Romans 5 - Romans 7
- Romans 2 - Romans 4 - Romans 6 - Romans 8

Consider & Discuss (Be Transformed!)

- What has been Paul's dominant topic since Romans 3:21?
- What is the first fruit that comes to us as a result of our justification (5:1)?
- How does that come to us?
- What is the second fruit that comes to us as a result of our justification (5:2)?
- How does that come to us?
- Paul mentions several things in which we exult, i.e., in which we rejoice. This implies the third and fourth fruits of our justification are joy and hope. In verses 2-3 what are two things in which we rejoice and from verse 2, in what do we have hope?
- Paul rejoiced in these things, do you? If so, discuss an example. If not, discuss why you don't.
- What is the fifth fruit Paul mentions as the result of our justification (5:9)?
- What is the final thing in which Paul exults? Do you similarly rejoice? If not, why not?

Memory & Meditation Verse
