WELCOME! The OKC Reformed Presbyterian Fellowship is a group of Reformed believers praying for the establishment of an RPCNA congregation in the Oklahoma City area and under the oversight of the Stillwater Reformed Presbyterian Church.

PREACHING TODAY - We are glad to welcome Rev. Rutledge ("Rut") Etheridge to preach to us. Rev. Etheridge is an Assistant Professor of Biblical Studies at Geneva College in Beaver Falls, PA. He has recently published a book titled, "God Breathed: Connecting through Scripture to God, others, the natural world and yourself."

YOU ARE INVITED to stay after the service for refreshments. If you have young children we want you to know that a little background noise does not bother us and children are welcome to participate in the worship service; however, we do provide a nursery/cry room should you want to use it.
