

SUNDAY MORNING

THE NECESSITY OF MENTORING THE CHURCH

7/28/2019

Message 22 in the series: **Learning how to rejoice in the Lord always**

Text: Philippians 3:15-17

Theme: The Church needs to mentor her own.

The Church isn't a business; it's a ministry...& ought to be ministering to one another

The Church isn't about elitists, but about each one growing and changing to become like Christ

I. **You should have the mindset of wanting to be mature (vv. 15, 16)**

Are you “thus minded” or “otherwise minded”? The Lord will show you if you ask Him.

II. **You should have the mindset of wanting to be a mentor (v. 17)**

Some see arrogance in v. 17

1. Read the context
2. Read the rest of the verse

Paul started by wanting to grow himself, and then he wanted others to grow also

You ought to be mentored or be mentoring – **in fact you can be both at the same time**
