Revelation 12:5-12 Psalms 2:1-12

About the situation going on in the Middle East regarding Israel, the bible said in the book of Daniel that in the latter days, Israel will become the focal point of the world. Is it happening now? There has not been a more precarious time in the US since WWII and the Cuban crisis than there is now. It will get better, but ultimately it will get worse, as the bible says, when the antichrist comes and sets up shop in the Middle East and makes peace over there.

THE WOMAN AND THE DRAGON

Vs1-4: we are being told about signs of the latter days: the woman with a crown of stars (Israel), delivering a child (Christ), a great red dragon looking to devour her child (Satan). His tail took 3rd part of the heavens – that's the angels Satan took with him when he fell. When Christ was born, Satan was there trying to kill him. Satan had Herrod have all the firstborns killed, even members of Herrod's own family. But Christ was taken up to God's throne (He is Risen).

Psalms 2:1-12 : the world turned against Christ. God laughs at those who are against Him, because He'll have the last Word on all matters. He will unleash His wrath on the world eventually, just a like a parent when 'I've had it up to here!'. God lets mankind do what they want, but God has his king on the holy hill of Zion, and He will put Christ back on it, whether we like it or not. Vs8: Ask of me, and I shall give *thee* the heathen *for* thine inheritance, and the uttermost parts of the earth *for* thy possession. God will give you everything if you ask for it. Christ is not coming back as a baby in a manger; He is coming back as a wrathful adult, and with a rod of iron to punish those who deserve it. A little wrath from Christ will go a long way. Blessed are all they that put their trust in Him.

Rev12:6: From vs 5 to vs 6, the prophets have jumped to the end times, to the 3 ½ years end tribulation times, the protected area in the wilderness, prepared by God, where she shall be fed. God has set aside a protection area of land where Satan won't be able to take over: the land of Moab, Edem, and Armon: an area of Jordan today. Those that receive the mark of the beast in the end times are signing their eternal soul to the eternal lake of fire. The mark of the beast is a tattoo, and you have choice in the matter.

Vs7-8: Time of tribulation: the spirits are fighting in heaven now, Michael and his angels against the dragon and his angels. Until the middle of the tribulation time, Satan has access to the throne of God. But then he's cast down to the earth, along with his fallen angels. God says, "Get Satan and his fallen angels outta here!"

Vs10: Satan has been running to the throne of God, telling on us. Whenever we do something wrong, Satan runs to God, saying "Looky there! That one was bad! Ah-ha-ha!"

Vs11: you can overcome Satan and his fallen angels by the blood of the Lamb, and be willing to die for you faith. More people are killed today, in the last hundred years, killed for their faith than ever before in history. We don't hear about in the headlines because it is not important to the world.

Vs12: You will be happy if you are in heaven when Satan and his fallen angels are kicked out of heaven and onto the earth. The people on Earth will have a very bad time in this era. Satan will be on Earth, pissed off, because he knows he has a short time left. Satan knows the bible word for word, he knows exactly how many days he has on earth, to do what he wants to do, and he will take it out on Israel and the other people left on this earth.
