*Rhythms from God*

***Exodus 23:10-19***

### **PASTOR'S PRAYER**

Almighty God of heaven & earth. You are worthy of all praise, honor and glory. You deserve our full and undivided devotion. We confess our lives are full, busy, distracted, frustrating and overwhelming. We often find our value in what we can do and we promote our worth by constantly keeping all the chaos going. Lord, we confess this as sin. Unite our hearts to fear your name. Turn us to Christ and help us see that our worth and value are not found in what we have done but instead what you have done through Jesus Christ. Our true meaning, the way we should understand ourselves and define ourselves should be found in our rest and looking to you not in our work and constant fiddling with the stuff of this world. Grant us grace this morning that we might find our great joy and hope and rest in our delight in Christ and what He has accomplished for us on the cross & His resurrection. Give us faith and repentance that we might see the refreshment and joy that you call us to this morning in into the week ahead. We ask these things in the name of our Deliverer and Savior, Jesus Christ the LORD. Amen & Amen
