In order for Satan's final global kingdom to come to fruition, it has to happen **his** way. That means lies and deceit along with fear are the very foundation of that coming empire. We know this because of the way this final empire is described in Scripture and how Antichrist (Satan's spiritual son), manages to rise to the top of the heap to rule over it as the world's last human Caesar prior to Jesus' return.

This coming one-world kingdom will be Satan's second to last attempt to overthrow God Himself (the final attempt happens after he's released from his incarceration for 1,000 years in the bottomless pit, **Revelation 20**). Satan's minions (human and spiritual), must do all they can to ensure *their* narrative and agenda takes precedence above all other narratives. This is done via deceit/lies which creates a majority *appearance*.

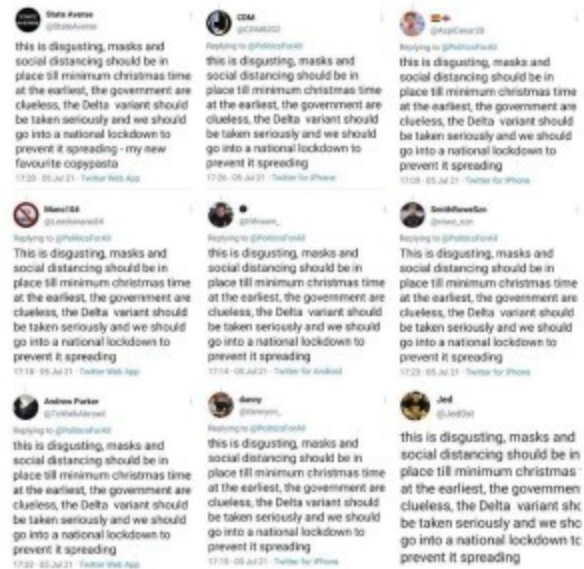

The images included with this article highlight tweets that are exactly the same, except all generated from different accounts. So what caused this? One of two things. Either, these accounts are all "bots" designed by Twitter to spread disinformation or they represent several actual people allowed to own and operate several accounts. The first image shows five different accounts and the second image shows nine different accounts. These are just the tip of the iceberg.

It has been estimated that there are several million "bot" accounts that essentially work for the folks at Twitter, spreading lies and disinformation but calling it "truth." There are also so-called right-wing bot accounts on Twitter. The difference is that the right-wing accounts are easily managed/censored by Twitter and banned when discovered.

Clearly, social network platforms are colluding to do two things:

1. to squelch free speech (anything they don't agree with), and
2. to ensure they gain and keep control of the narrative.

It makes sense that people doing Satan's work (whether they know it or not), use lies and deception to further their agenda, doesn't it? This makes it all the more difficult for the actual truth to push through the fallacious reasoning of the Left and anyone taken in by it.

In order for a majority of people to come to the point of willingly embracing this coming final world government, deception through lies must be used to make that happen and promoting it with a massive fear campaign is the best way to ensure success. In effect, the final empire's full foundation will be lies that cause tremendous *fear*. This will allow globalists to reach their goals as they believe those goals have been revealed by Satan.

The interesting thing of course, is that while globalists work hard to deceive the world, Satan has completely deceived the *globalists* and they know it not. Several passages explain.

*After this I saw in the night visions, and behold, a fourth beast, dreadful and terrible, exceedingly strong. It had huge iron teeth; it was devouring, breaking in pieces, and trampling the residue with its feet. It was different from all the beasts that were before it, and it had **ten horns**. I was considering the horns, **and there was another horn, a little one, coming up among them, before whom three of the first horns were plucked out by the roots. And there, in this horn, were eyes like the eyes of a man, and a mouth speaking pompous words. (Daniel 7:7-8 NKJV; emphasis added)***

Notice the "ten horns"? This is also highlighted in **Revelation 13:1**.

*Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and **ten horns**, and on his horns **ten crowns**...*

It seems clear that the elite do all the heavy lifting so to speak to usher in the final global empire. No sooner do the ten top people of the elite step up to rule (10 sections of the entire globe), when

Antichrist takes out three of them, with the remaining seven pledging their loyalty to him. In the end, they won't be ruling autonomously. They'll answer to Antichrist or die.

Satan lies to globalists, providing untold wealth and power to keep them happy. This they believe is *the* singular sign to them that they are on the correct road and "blessed." But Satan simply *uses* them for his own benefit. He doesn't mind rewarding these people with wealth because he knows that this is how they can be bought and owned. The more he gives them, the greater their loyalty. If it also keeps them from receiving salvation, that's an added plus. So the bottom line is that globalists will ultimately be betrayed by another human being (fully empowered by Satan), who comes up "among" them but *outside* their inner circle.

I covered a great deal of this in a previous 7-part series from 2016: [Ten Kings, the Antichrist and the New World Order](#) but let me try to sum up events leading up to the point where the Antichrist gains power over the entire world as revealed in Scripture. As I've stated previously, we need to remember that the coming new world order is going to come into existence because of two things; *first*, Satan promised that he would become "*like the Most High*" ([Isaiah 14:14](#)), and *second*, God will allow Satan every opportunity to do just that to do something huge.

It's helpful to understand this and then ask *why* God would allow Satan to do all of this? The answer really clarifies a great deal for us. Currently, Satan is **unseen** as he works behind the scenes to bring about the final global empire over which he will rule through his spiritual son, Antichrist. We cannot see Satan nor can we see his fallen angelic hosts. We see the *results* of what he accomplishes through the people who have sold their souls to him and we see this on a daily basis.

I firmly believe that once Antichrist takes the reins of the coming final global kingdom, he will be, for all intents and purposes, the full human embodiment of Satan. Paul speaks to this, as do others.

*The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. (2 Thessalonians 2:9-10 NKJV)*

A similar theme is broached by John in [Revelation 13](#). There, we learn from John that he watched this beast (final global empire), rise up out of the sea (v [1](#)). The beast he describes is very reminiscent of the various beasts first described in [Daniel 2](#). But notice in John's description, this final beast incorporates aspects of all the previous beasts. It is one giant conglomeration of those previous beasts, which is why many conservative Bible scholars see this coming final one-world kingdom as a *revised* Roman Empire since it was the previous system.

Notice also the "dragon" and how he reacts to this beast rising from the sea in verse [2b](#).

*The dragon gave him his power, his throne, and great authority.*

So this beast rising out of the sea is a *system* as well as an embodied *final ruler* of human government prior to Christ's return. Just these two Bible references in **2 Thessalonians 2** and **Revelation 13** show that Satan gladly gives this beast his *full* throne, power and authority. In essence, Antichrist (beast out of the sea), will be as powerful in human form as Satan is in spirit being form. That in and of itself is frightening, isn't it? Satan is so willing to share all of his throne, power and authority with a *human being* so that he (Satan) can rule through that person. Why? Ultimately, to be "*like the Most High*" and to keep Jesus from returning to this earth.

But what is also very amazing about all of this is the fact that once Satan grants full throne, power and authority to the Antichrist, it literally brings Satan out into the *open!* No more will Satan be the unseen guy behind the curtain. Antichrist provides a face, a personality and a bodily form for *Satan*.

This union is also an attempt to create the false trinity - Satan, the "father," Antichrist, the "son" and the coming second beast/false prophet, the "holy spirit." Satan is literally willing to risk coming out into the open to wage war against God and His people through the person of Antichrist. This also means that Satan, who is now out in the open, can and will be defeated *publicly*, humiliated by Jesus Himself as He returns to this world to establish His Millennial Kingdom. Isn't that something to shout about?!

This all helps us understand what is happening now throughout the world specifically with reference to CV-19. It appears to be all part of the plan to usher in the final globalized kingdom that Scripture highlighted thousands of years ago. CV-19 is allowing elected officials to become tyrannical and fascist, all under the guise of keeping people "*safe*." Thinking people know this is a lie that's all about creating the new world order. Anyone who has read Klaus Schwab's book "*The Great Reset*" understands that he was speaking in literal terms in wanting to take this opportunity because of CV, to bring the world together as one (my paraphrase).

This is why I believe the Left is working so hard to push their narrative regarding CV. Granted, many are tragically deceived and simply useful idiots to the globalists as they push Critical Race Theory, BLM, transgenderism and other things diametrically opposed to God and His Word. The goal is to create such upheaval in society that it cannot be sustained, leading to a major breakdown in law and order (underway) and setting aside all previous societal norms.

Most are aware the Left continues lying without batting an eye, even after they're presented with actual facts. Leftists will deftly move around those facts or ignore them altogether to continue pushing their lies. Snopes (a very Left-wing website), is very good at this, but the critically thinking person will still see their attempts to deceive. It's usually done through *redirection*.

Because of the many "bots" on social networks, it *appears* the Left is the majority opinion. This only *appears* to be true, which gives the Left a leg up.

Here are the facts:

- God has told us of the coming final global kingdom
- It will be ruled by Antichrist (Satan through him)

- There is nothing we can do to stop that from happening
- In all things, God will be glorified

During this time of growing evil (that God is *allowing*), it is essential to draw close to God and *stay* there. We must be about His business, not wringing our hands over various situations in society. God is either in full control or not. What say you?

I'll have more to say about CV and the burgeoning situation in the world. The reason I do is because it appears to be so clearly connected to *how* the final globalized order will come to fruition.
