

**Beloved :**

**I. Be Mindful !**

v 1 - 7

The Lord will return and set up His Kingdom.

Be mindful of the OT writings : God is the Creator, and He is the Judge.

He has judged before, and He will judge again!

**II. Be Not Ignorant !**

v 8 - 11

God's measurement of time is longer than ours.

He will come according to His timetable.

In the meantime, He is saving sinners.

**III. Be Diligent !**

v 12 - 14

This is the third time Peter mentions diligence (1:5, 10).

Believers must be *in all holy conversation and godliness* as we look  
for the coming of our Lord.

**IV. Beware !**

v 15 - 18

Peter recommends us to Paul's letters; which are *scripture*.

Christ is building His church according to Paul's epistles.

We must *study* (2 Tim 2:15) and *take heed* (1 Tim 4:16).

The theme of Peter's first epistle was *grace*.

The theme of the second is *knowledge*.

The more we learn of Christ, the more we live like Christ!
