#### **PASTOR'S PRAYER**

Almighty, Father of heaven and earth, your mighty power and commanding authority is evident in your Word and in the untamable creation you have placed us in. You are good and you reign in majesty and glory and splendor. You have established all creation and you sustain, command and uphold every atom for it is all yours. You are strong to save and to care for your people. Thank you, LORD, for bringing us again to your Word that we might again be reminded of your absolute power authority. Help us now, Father, to not only see your power in the past, in your Word. But also convince us that you are still powerful and strong to work in our lives. Convince us of your power and love for us, O LORD. We are so weary and overwhelmed and broken and laden with guilt and full of fears. LORD come and show yourself strong. In your kindness, grant us repentance for our constant attempts to handle our lives in our own strength and provide abiding and sure faith to trust your strong hand in our lives and the lives of those around us. Nothing is too hard for you, O LORD! Convince us of this truth this morning we pray in the name of authority of our power and strong Savior and Deliverer, Jesus Christ. Amen & Amen.
