

“Love Your Enemies”

Acts 17:16-34

Introduction:

Proposition: An unregenerate person is an enemy of the gospel of God (Rom. 11:28). We who were once included in that number have been translated from darkness into the kingdom of the Son of His love (Col. 1:13). This merciful intervention of God was accomplished through the faithful proclamation of the gospel by Christ’s church and the supernatural work of the Holy Spirit. Will you faithfully carry on this work of love and mercy among His enemies?

I. Making the most of every opportunity

II. Speaking the truth in love

III. The goal is faithfulness to God’s calling of love, not success
