Closing Thought: Peter sinned in a very extreme and dramatic way. He denied Jesus, as He was being spat on, punched, slapped and mocked. He also took God's name in vain in an incomprehensible way. However, when he recognized his sin he was broken in an extreme and dramatic way. Like David, Isaiah and the tax collector, Peter experienced Godly sorrow leading to repentance. Do you experience Godly sorrow over your sin leading to repentance, or the sorrow of the world leading to death? Really?!!!
