Sermon Outline for Sunday, August 5, 2018  
Pastor Robert Rubino

Coexist: Only When Christ is King!

**I Text:**

Old Covenant: *Genesis 1:1*

New Covenant: *John 1:1*

**II Doctrine:** The God of the Bible makes exclusive claims in his word. Our God is the sole source of reality, truth, ethics, aesthetics, and salvation. He is the sovereign King of the universe which he created. There is no other god (demon) that is equal to him. Our God exists outside of his creation, space, and time. The only way for conflicting religious groups to temporarily coexist is through the adoption of Christian morals. True Christianity teaches the conversion of the soul by the Holy Spirit. We cannot force someone to accept the Gospel and be saved. This type of practice is actually Satanic in nature. A Christian community or nation can demand people adopt Christian practices in the public square to prevent evil. Human sacrifice, chattel slavery, pedophilia, "sati", are the types of practices that violate Christ's moral law and cannot coexist in a Christian community.

**III Application:**

- 1) The living God reigns over all men and nations. (*Romans 2:14,15*)
- 2) God calls all men to accept the Gospel message and be saved. (*John 1:2-13*)
- 3) People from different backgrounds can coexist in peace when united in the Kingdom of God. (*Acts 17:22-26*)
- 4) Christian Nations and communities can prevent evil by enforcing God's moral law in the public square. The United States of America saw the problem of a state sanctioned Church, but supported the use of Christian morality. (*LBC Chapter 19 "God's Law"; Wallbuilders.com*)
- 5) The age of limited coexistence will end at the final judgement. (*Revelation 21:1-8*)
