

SUNDAY MORNING

KNOWING GOD BY EXPERIENCE

8/11/2019

Message 23 in the series: **Learning how to rejoice in the Lord always**

Text: Philippians 3:10

Theme: Do you want to know what it is to experience the life of Christ.

What he meant when he said “know”

Do you want to know what it is to experience the life of Christ?

I. Do you want to experience the power of His resurrection? (v. 10)

I believe Paul wanted to experience that, not in death, but in life

He wanted the resurrection power that would give him a living testimony

II. Do you want to experience the fellowship of His sufferings? (v. 10)

Are you willing to suffer and not complain about it, but use it for the benefit of the body of Christ?

III. Do you want to experience a portrait of His death? (v. 10)

Do you want to experience the life of Christ so that others can see Christ in you?
