

John 5:30-38

The Son's Witnesses

1. **Summary (v.30)**

2. **Another Witness (v.31-32)**

3. **Witness #1: John the Baptist (v.33-35)**

John 5:30-38

4. Witness # 2: The Works from the Father (v.36)

5. Witness # 3: The Father Himself (v.37-38)

Praxis

1. How does John the Baptist serve as a helpful example of a faithful witness for us?
2. Jesus demonstrates that to reject Him is to reject God altogether (v.38). How does this clarify the central point of our witness in evangelism?
3. The Jews will continue to reject Jesus (as the Son sent from the Father) in John's gospel despite the ample testimonies which affirm His identity. What does this teach us about the nature of unbelief?
4. Thought Question: Why is it significant that Jesus presents all of His willing and working in connection to His Father who sent Him?
