

The GOSPEL of MARK

Our Call to Discipleship

Kingdom Expansion: They Were Made Well

Mark 6:53-56

PASTOR'S PRAYER

Almighty Father in heaven, you are our God, Persevere, Deliverer, Savior. You have sent your Son, Jesus Christ, to make us well both in body and soul. You have called us to live by faith, looking to you for our every need, our every source of strength and good. Our lives are like faint embers and You keep us alive, deliver us from the enemy, save us from sin and death through the cross of Jesus Christ. Thank you LORD. Come I pray this morning to convince us our your good compassion toward your people. May we be reminded and rest and receive again this morning the promises from your Word and grant us your Spirit that we might believe them, trust in them, fix our hearts and lives on them for our good and your glory. May your Word come forth this morning in the power of the Holy Spirit that your people will be made well and that we all will be built up in union with Christ this morning. We ask these things in the name of Jesus Christ our compassionate Savior. Amen & Amen.
